III. Definitions of Terms and Acronyms Used in this Report

 - 1. FOIA -- Freedom of Information Act (5 U.S.C. § 552)
 - 2. FY -- Fiscal Year
 - 3. Agency -- Federal Retirement Thrift Investment Board
 - 4. OGC -- Office of the General Counsel

B. Basic Terms.

1. FOIA Request -- Freedom of Information Act request, a FOIA request is generally a request for disclosure of records concerning a third party, an organization, or a particular topic of interest.
2. Initial Request -- a request to the Agency for records under the Freedom of Information Act.
3. Appeal -- a request to OGC asking that it review a full denial or partial denial of a FOIA request, or any other FOIA determination such as a matter pertaining to fees.
4. Processed Request or Appeal -- a request or appeal for which an agency has taken a final action on the request or the appeal in all respects.
5. Multi-track Processing -- a system in which simple requests requiring relatively minimal review are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks. Requests in each track are processed on a first-in/first-out basis. Note: The Agency does not have multi-track processing as it generally responds to requests on a timely basis. A requester who has an urgent need for records may request expedited processing.
6. Expedited Processing -- The Agency will process a FOIA request on an expedited basis when a requester has shown an exceptional need or urgency for the records which warrants prioritization of his or her request over other requests that were made earlier.
7. Simple Request -- a FOIA request that an agency using multi-track processing places in its fastest (nonexpedited) track based on the volume and/or simplicity of records requested.
8. Complex Request -- a FOIA request that an agency using multi-track processing places in a slower track based on the volume and/or complexity of records requested.
9. Grant -- an Agency decision to disclose all records in full response to a FOIA request.

10. Partial Grant -- an Agency decision to disclose a record in part in response to a FOIA request, deleting information determined to be exempt under one or more of the FOIA's exemptions, or a decision to disclose some records in their entireties, but to withhold others in whole or in part.
11. Denial -- an Agency decision not to release any part of a record(s) in response to a FOIA request. This may occur because all of the information in the requested records is determined by the agency to be exempt under one or more of the FOIA's exemptions or for some procedural reason or because no record is located in response to a FOIA request.
12. Time limits -- the time period in the Freedom of Information Act for an agency to respond to a FOIA request (ordinarily 20 business days from proper receipt of a "perfected" FOIA request).
13. "Perfected" -- a FOIA request for records which adequately describes the records sought, which has been received by Agency's FOIA office, and for which there is no remaining question about the payment of applicable fees.
14. Exemption 3 statute -- a separate federal statute prohibiting the disclosure of a certain type of information and authorizing its withholding under FOIA subsection (b) (3).
15. Median number -- the middle, not average, number. For example, of 3, 7, and 14, the median number is 7. In Part VII below, the Agency's response times are given in median calendar days.
16. Average number -- the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7 and 14, the average number is 8.

XII. Report on Agency's Plan under Section 3(b) of Executive Order 13392 (New)

SECTION XII. REPORT ON EXECUTIVE ORDER 13,392 IMPLEMENTATION.

On December 14, 2006, the President issued Executive Order 13,392, entitled "Improving Agency Disclosure of Information," which established a "citizen-centered" and "results-oriented" approach to administration of the Freedom of Information Act. The Executive Order required each agency to conduct a review of its FOIA operations, to develop an agency-specific plan to improve its administration of the Act, and to include in its annual FOIA report a description of its progress in meeting the milestones and goals established in its improvement plan.

This section of the annual FOIA report contains the Federal Retirement Thrift Investment Board's (FRTIB) description of its progress in implementing the milestones and goals of the Agency's FOIA Improvement Plan.

The reporting period for Section XII is different from that used for the rest of this report, which is based on data compiled for Fiscal Year 2007. The reporting period for this section concerning Executive Order implementation activities includes progress made through January 2008.

Section A. Description of supplementation/modification of agency improvement plan (if applicable).

No changes were made.

Section B. Report on agency implementation of its plan, including its performance in meeting milestones, with respect to each improvement area.

The FRTIB met its goals and milestones established in the report submitted in response to Executive Order 13392 to be completed for this reporting period. As an improvement to our FOIA activity, we established in FY2007 a FOIA reading room at the Agency's headquarters.

Section C. Identification and discussion of any deficiency in meeting plan milestones (if applicable).

Not applicable.

Section D. Additional narrative statement regarding other executive order-related activities (optional).

Not applicable.

Section E. Concise descriptions of FOIA exemptions.

The nine exemptions to the FOIA authorize federal agencies to withhold information covering: (1) classified national defense and foreign relations information; (2) internal agency rules and practices; (3) information that is prohibited from disclosure by another federal law; (4) trade secrets and other confidential business information; (5) inter-agency or intra-agency communications that are protected by legal privileges; (6) information involving matters of personal privacy; (7) records or information compiled for law enforcement purposes, to the extent that the production of those records (A) could reasonably be expected to interfere with enforcement proceedings, (B) would deprive a person of a right to a fair trial or an impartial adjudication, (C) could reasonably be expected to constitute an unwarranted invasion of personal privacy, (D) could reasonably be expected to disclose the identity of a confidential source, (E) would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions, or (F) could reasonably be expected to endanger the life or physical safety of any individual; (8) information relating to the supervision of financial institutions; and (9) geological information on wells.

Section G: Attachment: FRTIB improvement plan (in current form)

The FRTIB's Implementation of the President's Executive Order 13392, "Improving Agency Disclosure of Information"

This document is in response to the President's Executive Order 13392, "Improving Agency Disclosure of Information". FERSA limits the Board's obligation to comply with executive orders because the Board must act as a fiduciary solely in the interests of the participants and beneficiaries. However, we have determined that this executive order creates no apparent conflict with FERSA and the Agency already has a FOIA officer and files annual FOIA reports.

The order requires the following actions:

- Designation of a Chief FOIA Officer.

The Federal Retirement Thrift Investment Board (the Agency) administers the Thrift Savings Plan (TSP) for Federal Employees. For the Fiscal Year 2007, a total of 24 FOIA requests were submitted and processed by the Agency. With a staffing level of approximately 70 people, responses to FOIA requests are coordinated among the appropriate Agency staff with oversight responsibility for the functional area addressed by that FOIA request. The Chief Financial Officer (Mr. James Petrick) has the final responsibility for the Agency's response. Mr. Petrick is a member of the Senior Executive Service.

- Completing the Review and Plan, and Reporting.

We have determined that conducting the request review and filing this report is in the interest of our participants and beneficiaries because it will help ensure that the Agency runs its FOIA program consistent with applicable requirements and will thereby avoid litigation and possibly bearing the costs incurred by a plaintiff.

FOIA requests to the Agency are frequently for TSP account

data associated with a specific participant or beneficiary. As such, we do not intend to publish FOIA responses on the Agency's Web site or establish a FOIA Requester Service Center. However, we will designate a FOIA Public Liaison person and provide that individual's name and contact information on the Agency's public web site. In addition, the Agency's public web site at www.FRTIB.gov already provides all Requests for Proposals, press releases including contract awards, employment opportunities and minutes from the monthly Board meetings.

All participants of the Thrift Savings Plan have access to their specific account information on the Thrift Savings Plan web site at www.TSP.Gov. as well as the Plan Summary and other booklets and fact sheets addressing topics of interest to our participants. Account information is also available from a voice response system (the "ThriftLine").
