

Thrift Savings Fund Statistics

November 2024

Highlights

The TSP ended November with more than 7.2 million accounts, a Plan high. As part of our year-end processing schedule, withdrawals processed through December 27 will be reported to the Internal Revenue Service (IRS) as income for 2024; withdrawals processed after that date will be reported to the IRS as income for 2025. The TSP has processed the remaining required minimum distributions for 2024, so that participants aged 73 and older can avoid unnecessary penalties from the IRS.
