

**Highlights**

We continue to see strong Roth TSP participation. Nearly 2.6 million participants have some Roth money. And although only 37% of TSP participants are uniformed services members, they account for about 60% of accounts with a Roth balance. April saw impressive statistics on participant use of the Official TSP Mobile App. 21% of logins to My Account were through the app -- a 40% jump from six months ago. In addition, participants downloaded the app approximately 79 thousand times.

1. Counts of total contributing participants are dependent on posting dates of agency payrolls.
2. Does not include payroll corrections which may impact full match percentages.
3. This number does not include those with Agency 1% Contributions only and making no employee (Roth/Traditional) contribution of their own.
4. Participants may elect to transfer all or part of their single payments. If only a portion is transferred, each portion (cash and transfer) is counted separately.
5. The participation satisfaction score takes into account phone calls, web, email, and chat.
